Camp Stanton Lynnfield Aug: 10. 1862

Miss Deborah Keiton!

We are mustert in the U. S. Arme this morning, I belong in the 9th Mass Battery. We will be in a other Camp very soon. They say in Camp Readfield near Dedham.

The Weymouth Comp: got here in Camp last Friday afternoon. They are not yet sworen in, a good many of them are pisionten for not getting a furlough. I saw Mr Humphry last Friday, I understand that the Town of Weymouth put me out of their Quota. If they are intent to go so for not giveing me the Bounty for which I wrote my Name on the List to go for Weymouth— I say then. that Weymouth Do wrong to Me

I was ready to response to the call for 300,000 Men, I was happy that there was giving me a Opportunity in Weymouth to put down the Rebellion fighting for Liberty which I do dear love. and to fight against Slavery which I hate. I shall do my wright I am ready to give my life away for liberty for what I was a going. I did not go altogether for myself — No I did go for them which like to go but can not. I know every body can not go but I say let there be pon regret I go for Weymouth for all inhabiters Man - Women - & Childer I did my duty to fill up the Quota of Weymouth — Will Weymouth do their duty to give me the Bounty which they promised me — let me see?

I am your Obedient Servent
